COFFEE SHOP & SPECIALTY DRINKS

Espresso: Made with Fruits of Labor's freshly roasted coffee beans. Espresso is highly concentrated, highly caffeinated and rich with a robust flavor. You can order espresso straight, multiply it with a double shot or give your normal cup a boost of caffeine by adding an espresso shot to any coffee. 2.50

Caffe Latte: Fruits of Labor's freshly roasted dark coffee beans are used to create a rich espresso shot that is blended with a larger ratio of steamed milk and topped with a thin layer of frothed milk. Add one of our many flavors to make an incredible dessert coffee. 12 oz. 3.50 | 16 oz. 3.95

Cappuccino: Fruits of Labor's freshly roasted dark coffee beans are used to create a rich espresso shot and poured into the bottom of the cup. Steamed milk is then added on top of the espresso. The two layers are topped with a thick and airy layer of foamed milk. The cappuccino's contents are all equal in volume. 12 oz. 3.00 | 16 oz. 3.50

Americano: The Americano starts with an Espresso shot and is diluted with hot water in a two to one or three to one ratio. Flavoring may also be added upon request. 12 oz. 2.00 | 16 oz. 3.00

Iced Latte: Espresso made with Fruits of Labor's roasted coffee beans is blended with whipped milk and served over ice. Add your favorite shot of flavor for a delicious treat. 12 oz. 3.50 | 16 oz. 3.95

Flavor Shots: Irish Cream, Salted Caramel, Mint, Pumpkin, Toasted Marshmallow, Vanilla, Honey, Strawberry, Blueberry, White Chocolate, Milk Chocolate. Each 0.50

Extra Shot Espresso: Add an extra shot of Espresso to any of your favorite drinks. 1.50

Fruits of Labor Locations in Four River Valleys: *Our specialty coffees are named after the local river valleys where we have locations and represent the joining together for the greater good to create communities of healing. We believe people can recover from substance use disorder. But they need a safe place for that to happen and job skills in a vibrant profession. And so, Fruits of Labor's nationally certified Culinary and Agricultural Training Center was born.*

Latte: Our fresh roasted espresso beans are used to create rich espresso shot that is blended with steamed milk and topped with a thin layer of frothed milk. See our signature blends below:
